Introduction

KMF MalaysiaWE SARL is proud to announce the partnership with Bouygues Telecom, a French telecommunication company to provide international traveler data package along with mobile call and SMS with a very interesting price!!

About package product

Enjoy your vacation in France and Europe with roaming **SIM and eSim!**

No More Expensive Roaming Cost!

Are you going on holiday or travel on a business trip to France? With this package powered by Bouygues Telecom you will not have to worry about expensive roaming fees anymore! Browse the internet in all of France and Europe at no extra cost guaranteed!

20GB internet in France and Europe included

Enjoy 20GB in 4G/LTE highspeed connection in all of France and Europe for 30 days. After your first activation within France, you can use your data allowance in all Europe.

Travel freely around Europe with the same preset eSIM and still be able to make calls, SMS or update your social media with no extra cost!

With this package you can enjoy unlimited calls & texts in France and within all Europe* (see county coverage in the coverage list). It comes with a €25 credit for calls and texts to international numbers for FREE.

Subscriber will have free access to France local number. Be more professional than you already are, as your international colleagues can now call you on French local number.

For the special launch, Bouygues Telecom and KMF MalaysiaWE is giving out a special promotion voucher code to all travelers.

Promotion voucher Code: KMF2022 (Valid until 15th August 2022)
